CORE CABINET DETAILS

All spaces are unique in use and design. It is our commitment to work with your design team to create a space that is functionally efficient and pleasant and comfortable to work in. With our basic design concept and our advanced processes, we can aid in creating your space.

Your project is assured to be fabricated to the highest quality. We fabricate to AWI (Architectural Woodwork Institute) standards and are certified with AWI under their QCP (Quality Certification Program) to provide consistent high-quality casework to the industry. We are FSC (Forest Stewardship Council) and SFI (Sustainable Forestry Initiative) certified allowing us to provide managed wood products to your project.

UPPER, TALL, WARDROBE CABINET CONSTRUCTION SIMILAR.
 NUMEROUS MATERIALS AND HARDWARE AVAILABLE

- PLASTIC LAMINATE FROM WILSONART, FORMICA, NEVAMER
- WOOD VENEERS
- SOLID SURFACE FROM CORIAN, WILSONART

BASE CABINETS

Using top-of-the-line commercial-quality materials makes HOFF's Core Base Cabinets the only choice for your project. Manufactured in several widths with an array of door and drawer configurations, Hoff's Core Base Cabinets can be used in a wide range of applications. Drawer Bank units feature three or four drawer options, while one and two door models can be equipped with additional drawers.

Available in 18 Core color options.
